Hey Keith,

You beat me to it, many thanks to you for a superb night everyone has been raving about how good the music was and I wanted to thank you personally for making what was a stressful situation a very much calmer one. I have been asked by a few folks for a contact number for you as they have events of their own they are organising. Am I okay to give your number or is the done thing to go through the website??

Many thanks again for a brill evening,
Lorraine

Hi Keith,

I just wanted to thank you again for providing such a good soundtrack to my birthday.

I had a great time, and I think everyone enjoyed the indie tunes.

The lighting and sequencing were first class.

Thanks again,
Cat

Hi Keith

Just wanted to say a huge thanks again for doing such an excellent job last night....the evening was fantastic and EVERYONE has texted/mailed today saying how much they enjoyed the music and 'what a great DJ' we had. The Cafe staff even commented what a great time they had had!

Looking forward to finding an opportunity to recommend you to others up here in Aberdeen. Hope the trip back down to Dundee wasn't too painful at whatever time of night you eventually made it back!

Thanks again, Keith, for making my birthday a very memorable one...

Best regards,
Tim

Hi Keith,

I just wanted to write you a quick email to say thanks again for being the DJ at our wedding last Saturday. As you know, I had a great time dancing along with my friends and relatives, and everyone loved the music. I was so pleased at how packed the dance floor was all night. The lighting looked great too, it really complimented the classy interior of Balmule House.

Thanks again,

Lindsey Thomson

Hi Keith,

We will get in touch properly to thank you when we get back from the honeymoon, but for now myself and John just wanted to send you massive thanks for your hard work Saturday night. I don't think you need us to tell you it was awesome, it absolutely made our night. Our guests were blown away! I felt like we hassled you a bit at the end of the night to do more when you were already wrecked, but it was only because we never ever wanted it to end..!

Thanks again Keith,

Aisling and John

Hey Keith just a quick message to say thank you very much for last night everyone had a great time! Music as always was spot on! I have a speaker cable and a couple of extension leads which I think must belong to you? I'll take them to the gym so you can collect when your free. Hope you had a good night also 😊
